The Nappanee Bulldog

This page sponsored by Dunham & Love Drug Store and E. Newcomer & Son

HELLO FOLKS. YOU OUGHT TO RECOGNIZE ME. I'M THE NAPPANEE BULLDOG, THE MASCOT. I'VE BEEN AROUND FOR A LONG TIME, YOU KNOW.

THESE STUDENTS OF THE CLASS OF 1948 WHO ARE PUTTING OUT THIS TWENTY-THIRD VOLUME OF THE NAPANET HAVE ASKED ME TO SHOW YOU AROUND—TO TAKE YOU THROUGH ALL PARTS OF THE SCHOOL AND LET YOU KNOW WHAT REALLY GOES ON AND WHO ALL THE KIDS ARE. I'M A PRETTY SMART BULLDOG; SO I AGREED TO DO IT. I'LL EXPLAIN EVERYTHING TO YOU AS WE GO ALONG. FIRST, THE STAFF WISHES TO THANK THE SPONSORS WHOSE NAMES APPEAR AT THE BOTTOM OF THE PAGES FOR COOPERATING WITH THEM IN THIS NEW STYLE OF ADVERTISING. WITHOUT ADVERTISERS THERE COULD BE NO ANNUAL.

1948 Napanet

NAPPANEE HIGH SCHOOL, NAPPANEE INDIANA

Classes

TO GET YOU STARTED, I'LL TAKE YOU AROUND TO THE CLASSROOMS AND SHOW YOU THE STUDENTS AT WORK.

THE LIBRARY, WHERE THE STUDENTS GO TO STUDY, TO READ, LOOK UP REFERENCE MATERIALS, OR MAYBE JUST TO TALK TO THE LIBRARIAN.

. . . ENGLISH AND LANGUAGES

One of the attractions in the English classes—recording and broadcasting practice. It's none other than Donna Uline and Bud Hartman! Couldn't be a better twosome, could it?

Puzzled, are you? Then join the Spanish class and learn to understand and speak this musical language of our Southern neighbors. For your benefit, the sentences on the blackboard may be translated, "How are you?" "Very well, thank you!" "Here Spanish is spoken." "Good morning, gentlemen."

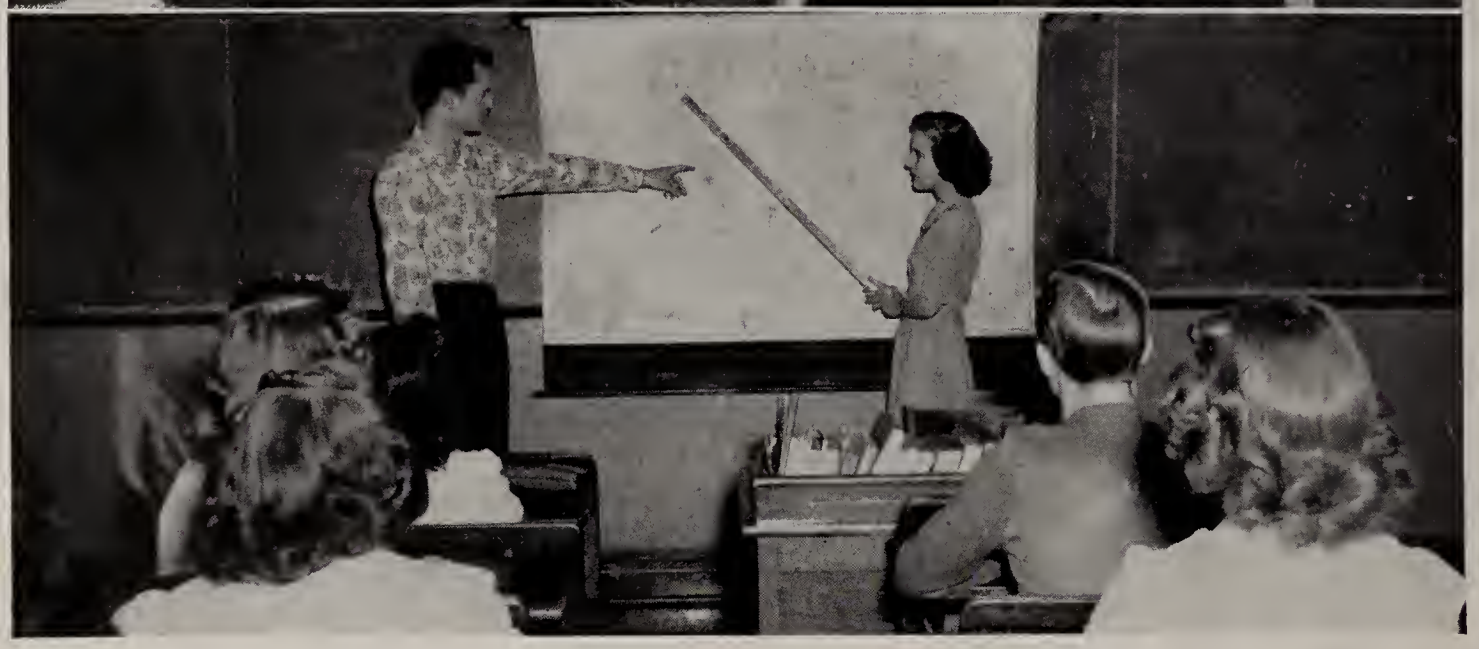
This page sponsored by A. H. Kaufman & Co. and Stuckman's Shoes

. . . MATH AND CHEMISTRY

That's it! A scene from the geometry class, taught by a capable instructor, Mr. Roose. Roland Heckaman is proving to Ann Wright that triangle ADC is congruent to triangle BDC. It's really fun!

"Be careful! Don't burn yourself!" These words may be heard repeatedly while students are experimenting in chemistry class. Here Sally Milleman, Louise Berry, George Byers, Frank Coppes, and George Stoops are distilling hard water.

. . . ART AND SOCIAL STUDIES



The art class is one of the most useful in the school, providing posters and other artistic touches for our classrooms and hallways. This is the advanced art class working under the watchful eye of Mrs. Rood.

Social studies are important in our school's curricula. History often entails study of maps. Here Jacob Gall and Vivian Vinke point out particular places on the map, while other students look on.

This page sponsored by J. S. & L. M. Slabaugh, M. D. and Miller Lumber & Coal Co.

. . . MUSIC AND BIBLE

More fun! At least these girls think so! N. H. S. is proud of this saxaphone sextette. Its members are Beverly Hahn, Rosamae Sheets, Donna Uline, Jo Ann Bigler, Marguerite Gearhart, and Delores Roth.

The Bible is studied the world over. In our school it is taught to grades one through eight. Students in the upper four grades may take it if they choose. Here Mrs. Bowman is telling her seventh grade students the story of "The Feeding of the Five Thousand" in scene-o-felt.

. . . HOME ECONOMICS AND TYPING

Yes, sir! This is one of Miss Blank's home economics classes happily learning to prepare a meal fit for a king. The laboratory is equipped with modern electric and gas stoves and a gas refrigerator.

What's happened? Everyone is wide awake and busy at his typing! Under the direction of Mr. Postma, many good typists are graduated from our high school.

This page sponsored by Hartman Gulf Service Station and City Electric Co.

. . . SHOP AND DRIVING

Buzz, buzz, buzz, is the sound you hear when you visit the shop. Members of the shop classes, besides doing their regularly assigned construction work, have helped school organizations by making bulletin boards, stage properties to be used in plays, a set of lights for the Thespian initiation, and innumerable other articles.

A new car was loaned to our school by the Reed Motor Company; a class was organized with Mr. Weddle as the capable teacher. Here he is showing Shirley Davis the fundamentals of driving while Mark Cox and Patsy Corwin look on.

Calendar and Snaps

OUR COMINGS AND GOINGS FROM SEPTEMBER TO MAY. NOW YOU STUDENTS WILL SEE HOW YOU LOOK OUTSIDE OF CLASS AND THE CALENDAR WILL LET YOU KNOW WHAT HAPPENED EACH MONTH.

HALL OF SCIENCE. ONE OF THE FEATURES OF THE ANNUAL P. T. A. HALLOWE'EN PARTY WAS THE EXHIBIT DISPLAYED IN THE SCIENCE ROOM. THE CHEMISTRY CLASS PREPARED ALL OF THE EXHIBITS AND EXPERIMENTS. THIS WAS ONE OF THE MOST INGENIOUS OF THE MANY ATTRACTIONS.

SEPTEMBER CAME — BACK TO SCHOOL, I TOOK IT EASY; I'M NO FOOL.

SENIOR CLASS . . .

A senior trip was one of our biggest problems of the year. Although we talked of visiting Washington, D. C., we finally decided to take a three day boat cruise on Lake Michigan, spending one of the days on Mackinac Island at the top of the Southern Peninsula of Michigan. This trip will take place from May 28 to 30. The seniors sold tickets for a motion picture, "Killer McCoy." The proceeds from this project helped pay for our trip.

During the Christmas vacation we had a sleigh ride, after which we ate, did the Virginia Reel, and played fox and geese. We returned home with cold toes but happy faces.

JUNIOR CLASS . . .

Under the capable leadership of our sponsors, Mrs. Rood and Mr. Postma, we, the class of '49, have successfully completed another year at good old N. H. S.

We elected Wendell Metzler as our president and Patty Pippen as our vice-president. The secretary remains Phyllis Weaver. Beverly Hahn and Charles Chapman were chosen to represent us in the Student Council.

To raise money for reception we sold magazine subscriptions, as the juniors are accustomed to doing. We also got the proceeds from selling concessions at the basketball games.

We enjoyed two parties during the year. The first was a weiner roast at Geyers' Dam followed by a hayride. The other was a roller skating party at Elkhart.

It's not too pleasant for these girls when they have to march through the streets on a cold or rainy day; but they do it anyhow.

Custodians

"Little Don" (Foltz) and "Big Don" (Swihart)

These men are the first to arrive and the last to leave school.

Cheerleaders

Roland Heckaman, Delores Roth, Pegge Hare, Kenneth Calbeck.

For the first time, Nappanee had four cheerleaders. The cheerleaders attended every game and led the fans in spirited yelling.

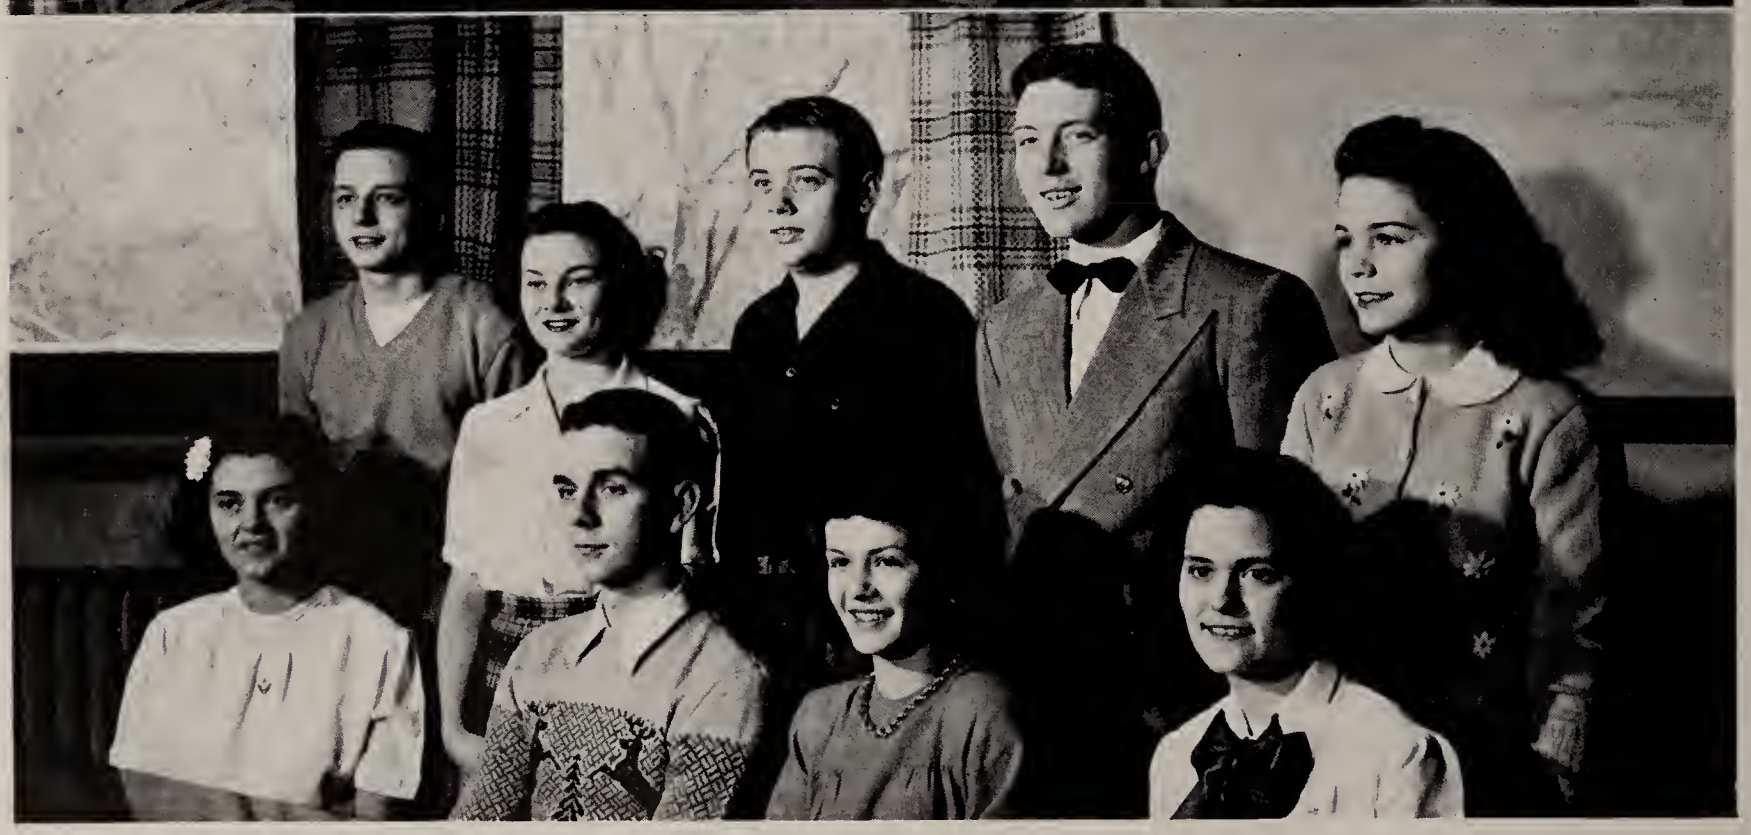
STUDENT COUNCIL . . .

PRESIDENT .....*David Widmoyer* SECRETARY .....*Rosena Gearhart*

The Student Council is an organization which strives to promote the general welfare of the school and improve the conditions therein in every way possible. Its membership consists of two representatives from each home room, and the National Honor Society.

In addition to the principal duty of the club—that of settling school problems — we have sponsored seven special assembly programs with entertainment provided by The Schools Assemblies Service. We also sponsored a bus to all outside basketball games. It is really an honor to be a member of the Student Council.

Rosena Gearhart



NATIONAL HONOR SOCIETY . . .

PRESIDENT .....*Rosena Gearhart* SECRETARY-TREASURER .....*Delores Roth*

The National Honor Society Society Charter was granted to the Nappanee Chapter on March 25, 1936. The National Honor Society is composed of students selected by the faculty on the basis of scholarship, leadership, service, and character. The membership of the organization is limited; only fifteen per cent of the senior class and five per cent of the Junior class may be chosen. There are nine members this year.

The main project of the organization this year has been to complete a handbook, which will contain information that will be valuable to the students entering high school.

PRESIDENT .....*Patsy Naylor*
VICE PRESIDENT .....*Beverly Hahn*
SECRETARY .....*Donna Uline*
TREASURER .....*Marguerite Gearhart*

The Y-Teens, under the sponsorship of Miss Hoover and Mrs. Miles, have again had a very successful year. We have a membership of seventy-six students from the tenth, eleventh, and twelfth grades.

On October 7, the thirty-six new members were welcomed into the organization by the serious initiation. They found our slogan to be "To Face Life Squarely" and our purpose "To Find and Give the Best."

A few of the Y-Teen girls attended the Y-Teen conference at Gary, Indiana, on February 7, and learned how to make our organization more interesting. Other outstanding events were the sponsoring of a Bad Luck Dance on Friday, February 13, and also making candles to send to Holland.

The first annual called the "Napanet" was published in 1924. Since that time the "Napanet" has been something to which all students and many adults look forward each year. Now, with the completion of all the photography, mounting, engraving, printing, and binding, the staff presents the 1948 "Napanet." Special thanks should go to the Lockridge Studio of Rochester, Dr. Mackenzie of Nappanee, The Indianapolis Engraving Co., and the E. V. "You're flat;" "Think higher;" "Wonderful;" "You can do it if you try;" are just a few of the expressions used by our director, Mrs. Reinoehl, during the school year.

There are fifty-one in the class this year. The ability to sight-read, quality of voice, and attitude toward the work qualified thirty-two members for robes. The robe choir goes to the District Music Contest and gives special programs.

Besides the robe choir we have a sextet, consisting of Patty Pippen, Shirley Davis, Donna Uline, Margaret Mutschler, Phyllis Weaver, and Beverly Hahn, and also a triple trio, consisting of these same girls plus Ruth Speicher, Betty Hostetter, and Margaret Farrington.

We have given a Christmas program, have had our annual concert with Bremen, have gone to District Contest, have given a spring concert, and have sung at the Baccalaureate Service.

DEBATE CLUB

An increased interest in forensics was shown this year by the enrollment of sixteen members in the Debate Club. We did not take part in inter-scholastic debating, however. Activities were confined to round table discussions, panel programs, and club debates.

The most profitable experience of the year was two days spent on the Purdue campus attending the Debate and Forensic Conference, December 5 and 6, 1947.

The school subscribes to thirty magazines and the library has many types of reference material, along with some fiction. A large new Funk and Wagnall's unabridged dictionary is a favorite source of information.

SECRETARY .....*Dick Callander*

Our Hi-Y Club this year is one of the largest there has ever been. We started out the year with fifty-one members. The advisory council members are Mr. Best, Mr. Mummert, Mr. Weddle, Mr. Roose, and Mr. Klitzke.

During the Infantile Paralysis Fund Drive in January, our club raised two hundred dollars and ninety-five cents. This included proceeds from our annual dimeline, the high school, and the grade school. Mark Cox was chairman of this committee. Our club was very proud of the amount of money taken in, for it surpassed all previous collections.

The Father and Son Banquet was held on March 9 at the Grace EUB Church. The Reverend V. L. Palmer of Bremen was the speaker. The attendance at this supper was greater than in any previous year.

Eighteen seniors were awarded Hi-Y "N" letters this year. Their letters are maroon and white.

Sports

THE SPORTS SECTION! LAST IN THE BOOK, BUT CERTAINLY ONE OF THE MOST IMPORTANT. IT'S A GREAT HONOR TO THE BOYS TO BE ON ANY OF THE TEAMS.

AND AFTER YOU'VE SEEN THIS SECTION, IT'S TIME FOR ME, YOUR NAPPANEE BULLDOG, TO SAY, "GOODBYE." I ENJOYED OUR LITTLE TRIP THROUGH THE SCHOOL; DIDN'T YOU? I'LL ALWAYS BE AROUND THOUGH, SO LOOK FOR ME.

First Team Players

FRANK PARSONS	Powse was a tall lad whose hard work under the basket helped things along in fair weather and foul. Powse is a senior this year.
GORDON NETERER	Chris, a fast driving guard, was hard to take care of with his hot one-handers. His change of pace often threw opponents off guard. Chris will be graduated this year.
KENNETH ANGLIN	Kenny, a new man on the bulldog team, had plenty of fight and speed which often meant added points for the bulldogs. Kenny had a good eye for the basket on long set shots. Kenny is a senior this year.
EUGENE SMITH	Smitty is a tall and narrow boy who can really drop 'em in from far, far away. We can anticipate some thrilling shots from his hands next year. Smitty is a sophomore.
JERRY LENTZ	Jerry is a hard worker who will add height under the basket to next year's team. Jerry is a freshman.
HAROLD HERSHBERGER	Hershey, a varsity member for three years, was the most experienced man on the team. Hershey has been high scorer for the past two seasons. He sparked the team through tough games with his comeback scoring. Harold is a senior this year.
CARL LEMNA	Duck's sickness at the end of the season was a bad break for the Naps. He was a good ball handler and an accurate passer. His one handers were of great value to the team. Duck is a senior.
WENDELL METZLER	Windy is a quick ball stealer who goes down the floor like lightning. We can look forward to some fast playing from this little man next year. Windy is a junior this year.
FORREST DUNNUCK	Ike is a good ball handler who shows promise of better things to come. Ike is a freshman.
JOE BILL GEYER	Shanty's tenacious grip on that ol' ball was seldom, if ever, broken by the opposition. Joe could always be counted on to get his share of the rebounds. A bulldog of bulldogs and a senior.
